OUR MISSION

Columbia Heights Public Schools **create worlds of opportunity for every learner** in partnership with supportive small-town communities by challenging all to discover their talents, unleash their potential and develop tools for lifelong success.

Creating College
and Career-Ready
GRADUATES

Dear neighbors and friends,

Each day, I am reminded how fortunate I am to be a member of the Columbia Heights Public School (CHPS) District community of educators.

Our mission is to *create worlds of opportunity for every learner* and our focus is to create college- and career-ready graduates. Each of our school days, we challenge all of our learners to discover their talents, unleash their potential and develop tools for lifelong success.

In CHPS, we educate learners starting from birth in our Early Childhood Family Education (ECFE) classes all the way through the golden years with our Adult Enrichment programming. We also have more than 3,200 elementary through high school students who choose our schools as their place for learning. These students and their families recognize learning is holistic and that to be successful in the 21st Century, students must be prepared with a well-rounded education. We take great pride in our diverse student population who bring their individual strengths to create a common strength we call "Heights Pride."

This year, with input from the community, we are embarking on a revised Strategic Roadmap, a plan that will lead our District in the coming years. With the support of our community, we will set clear goals relating to student academics, arts, athletics and activities. We will further improve technology, finance, operations, communications and our most precious resource: developing people. All we do will be aligned to this plan. Following the Strategic Roadmap, you are invited to help us "See, Do and Learn" this calendar year and beyond.

Whether you have a child or a grandchild in our schools, are empty nesters, no children or happily single, you are invited to support the success of every learner in Columbia Heights Public Schools. You can contribute by attending one of the many events listed in this calendar or by engaging in one of our neighborhood schools. Please contact us at any of our schools if you are interested in learning more.

Columbia Heights Public Schools is a District "where we all belong." Together, we can and will prepare all students for success in college, careers and beyond.

Sincerely,

Kathy Kelly, Superintendent

Highland Elementary Students Pledge...

...not just to our nation's Allegiance, but to their learning — which includes a “real-world” education. Each December, Highland students visit a local senior community where they engage residents in song, conversation and hugs. Doesn't get much better than that!

Our District is extremely proud of our diversity — we believe it is one of our greatest strengths. Our students represent many backgrounds and cultures, collectively they are true blue and gold Hylanders. Our thanks to every parent and guardian who trust us with the education of their sons and daughters.

Play it Loud: Our Hearts are in the Arts

We like to say our hearts are in the arts, but it's more than words, it's true! Student artists — from singers, musicians, visual arts and actors — display through their works and talents their love of the arts. We have plays, musicals, concerts, shows and more — and most are FREE — so come and check out our artists!
