2015-2016 CALENDAR

ACADEMICS, ACTIVITIES AND ATHLETICS

Dear neighbors
and friends,

As we begin the 2015-2016 school year, we are once again grateful for the November 4, 2014 passage of the

Operational Renewal and Capital

Project Levies. These funds, which includes operations, increasing security and safety, maintaining and repairing school facilities and improving student access to technology, will help sustain our school district as we create worlds of opportunity for every learner.

From early childhood through 12th grade, every learner is being prepared for worlds of opportunity and a lifetime of success. To create graduates who are competitive for college, careers and life, we provide specific "Pathway" benchmarks and essential Life Skills for every learner. You can learn more about our College and Careers Readiness Benchmarks and Life Skills by visiting www.colheights.k12.mn.us/pathway.

We invite you to partner with us in creating outstanding young men and women by helping them to discover their talents, unleash their potential and develop tools for lifelong success. The 2015-2016 school calendar is replete with events that showcase our students' amazing academic, artistic and athletic skills. We invite you to join us in praising their effort and celebrating their accomplishments. With your support, this year will truly be a year of Heights Pride!

COMMUNITY

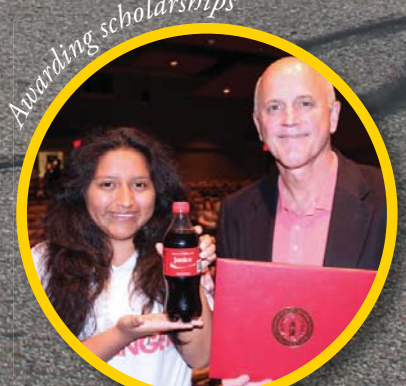

In partnership with our communities of Columbia Heights, Hilltop and Fridley, our school district creates worlds of opportunity for every learner. Proud Hylanders, we collaborate on events like the Jamboree. Students collect and distribute food through SACA. Alumni like John Alt, Class of 1980 and Kansas City Chief Hall of Famer, proudly show Hylander Pride. Thanks to all, including our many scholarship funders, for helping create college and career-ready graduates.

COLUMBIA HEIGHTS HIGH SCHOOL

Junior Farhiya Barqadle mentors elementary students to improve their reading skills. By doing so she helps them, and herself, prepare for college and a career. Post high school programs such as AVID, Power of You, College Possible and Ramp Up to Readiness allow students, including Princeton-bound Luis Carchi, earn college credits in high school. Karima Muse (Class of 2015) attended Genes Works classes and work internships. Others, like all-state vocalist Elijah Vanderpoel, can earn scholarships. All this and more at Columbia Heights High School!

ACTIVITIES

We offer more than 20 types of activities. At the elementary levels students serve as patrol guards, create ideas that become real in Destination Imagination and are Future Problem Solvers. At Columbia Academy and the high school, students perform in robotics musicals and plays, calculate with the Math Team, chronicle with the Yearbook, play in the Drum Line and lead in Student Council. These are just a sampling of the activities in Columbia Heights Public Schools.

NORTH PARK ELEMENTARY SCHOOL

North Park is one of Minnesota's most innovative and widely studied elementary schools. Its third through fifth-grade students practice 21st century skills in Learning Studios, learning environments that bring new context to school.
